

## Our Store Front Online

### Are you a Business Owner?

Would your business benefit from having an online presence?

Have your customers been inconvenienced by covid-19 restrictions?

Is the novelty affecting or have affected your business in any way?

### Are you a Consumer?

Is your health and the health of your family a priority?

Would you benefit if your local business had an online presence?

Is the novelty affecting or have affected you and yours in any way?

## Did you answer yes to any of those questions?

IF you answered yes to any of those questions THEN you are in the right place.

## Why use OSFOnline?

OSFonline connects local businesses with local consumers from a central, easy to use, cost effective and convenient platform.

We leverage IoT solutions with web technologies to give local consumers and merchants the best user experience possible to conduct essential and interactive business that would normally have to be done on business premises, from anywhere you happen to have a internet connection.

## Merchant Enrolment Form

Business Type

Manager's Full Name \*

Business's Name \*

Business's Email \*

Business's Address \*

Business's State \*

Business's City \*

Business's Postal Code

Business's Tax \*

Note: If you have graphics such as business logos and a store front images please submit them as attachments with this form.

If you do not have a business logo we can help with the design and creation starting at US\$39.00

The enrollment / initial setup cost for OSFO Merchant account for business type Health & Wellness is as follows:

Note: Prices are quoted in US dollars.

Type	Setup Cost	Subscription Cost	Product Limit	Additional Products
Health & Wellness	\$29.00 / once	\$7.00 / month	10	sub + \$2.00 / per 10

- The initial / enrolment charge is a one time fee.
- OSFO uses a subscription model to enable us to provide a number of valuable services to both you our Merchants and your customers.
- We allow up to 10 products for each type of business.
- Additional products attract a cost of US\$2.00 for every extra 10 products you post, which is calculated once you go over the 10 limit.
- Example: 11 to 20 products would make your monthly subscription \$7.00 + \$2.00 = \$9.00
- Example: 21 to 30 products would make your monthly subscription \$7.00 + \$4.00 = \$11.00
- etc....
- **Due to the global pandemic and its effect on local businesses we are waiving subscription for 60 days from enrollment, which may be extended based on the extended effects of the pandemic.**
- **No business can survive without the proper exposure. Let us expose your business the right way.**
- **We depend on your success so we work tirelessly to ensure such.**
